

Awesome Alum!

**The Boys & Girls Clubs of Yellowstone County
Alumni Series, this month featuring
Myra Gleason**

When did you attend the Club?

2005-2012, 5th grade to 10th!

Which Club?

I attended the Castle Rock Club!

What were some of your favorite moments/memories?

I really enjoyed the the teen trip to Virginia City! I also helped with the younger grades a lot, mainly in art!

Tell us about your journey after your time at Club?

I married my best friend, Matthew, in September of 2018, after we welcomed our daughter, Naomi, in April of 2018. I am now a family advocate with RE Family Services. I work within the foster care system to help families work towards reunification

If you could give a Club kid of today some advice, what would that be?

Always be kind to others and true to yourself! Its ok to be different and it's ok to be YOU! The world needs every one of you, just the way you are!

Anything else you would like to add about being a Club kid?

One of my proudest moments was being nominated for Youth of the Year. I didn't win, but I had a blast sharing my story and meeting so many new people in the process!

If you are a Club alumni or know of anyone that is, we would love to chat!
