

Awesome Alum!

The Boys & Girls Clubs of Yellowstone County
Alumni Series, this month featuring

Kenzie Barkac

When did you attend the Club?

I attended the Castle Rock Clubhouse on and off between 3rd and 5th grade.

What were some of your favorite moments/memories?

One of my favorite memories as a Club kid was participating in the foosball tournament.

What are you up to now? Job? Family?

As of right now I am attending Rocky Mountain College hoping to end up working with animals to some capacity. I am married and enjoying taking time to travel and adventure with my husband.

If you could give a Club kid of today some advice, what would that be?

The advice I have for Club members today, as a former troublemaker herself, is that I understand that it can be hard to make good choices sometimes, but the staff really do care, and that making bad choices doesn't mean you're a bad kid- you have every opportunity to grow and learn from your mistakes!

Anything else you would like to add about being a Club kid.

I am extremely grateful for my time with Club, not only as a member, but also as a Club professional as it really helped me grow into the person I am today, and I have gained so many skills that I might not have without being part of the Club family!

If you are a Club Alumni or
know of anyone that is,
we would love to chat!
