

Individual Giving Societies

Boys & Girls Clubs of America offers our local Boys & Girls Club access to three Individual Giving Societies that provide National recognition for local major and planned gift Club donors across the Boys & Girls Club movement:

[Jeremiah Milbank Society](#), which provides national recognition to individual investors who gift to the Boys & Girls Clubs of Yellowstone County's Back A Kid campaign of \$10,000 or more annually.

[Lifetime Giving Society](#), which provides national recognition to individual investors who show a deep commitment to Boys & Girls Clubs of Yellowstone County through significant contributions during their lifetime (\$250,000 and above); and

[Heritage Club](#), which provides national recognition to those individuals who have named the Boys & Girls Clubs of Yellowstone County or Boys & Girls Club Endowment Foundation in their Estate plans.

Whether your contribution is to an annual campaign, the latest among gifts throughout your lifetime or is a deferred gift, you are providing critical support for our local youth. There is no more generous gift than one that prepares our young people for successful, productive and great futures.

Thank you for your commitment to youth and for your ongoing support of the Boys & Girls Clubs of Yellowstone County.

For more information on how you can be recognized in the Boys & Girls Clubs' Giving Societies please contact Karrie Owen at 406-294-4511 or Kowen@bgcyellowstone.org.
